Press Release

Westport Police Department Investigation at Regents Park Condominium Complex

(Westport, CT) On the evening of Friday May 1, 2020, members of the Westport Police and Westport Fire Departments responded to the Regents Park Condominium complex, 1400 Post Road East, on a report of possible explosive item located within a unit on the premises.

Individuals working at a unit within the complex reported encountering what was believed to be an inert hand grenade. In an abundance of caution, members of the Stamford Police Department's bomb squad were contacted and responded to perform an explosives detection sweep of the unit in question. The grenade was ultimately confirmed to be inert and was removed by Stamford Police personnel. Their overall sweep of the premises did not uncover any other explosive material within it. There is no associated threat to public safety posed by this situation and no threat to the Regents Park complex.

This incident remains under investigation at this time.
